

How to find us in Bern:

Arrival by public transport

Catch a train to Bern Main Railway Station. The ETH Board's premises are five minutes' walk from the station. On the platform, proceed to *Sektor D / Ausgang West* (Sector D / Exit West), then use the escalator to reach the pedestrian crossing *Welle*. Leave the station in the direction of Schanzenstrasse and walk down to the Bubenbergplatz intersection. Cross the intersection, go past Starbucks Coffee and cross over to the left-hand side of Hirschengraben. The premises of the ETH Board are in the first building, number 3.

Arrival by car

from the A1 Zurich / Lucerne / St. Gallen motorway:

Follow the signposts indicating Vevey / Fribourg / Bern-Bümpliz / Bern-Forsthaus / Inselspital. Leave the motorway at the Bern Forsthaus/Inselspital exit. Continue along Murtenstrasse towards the city centre for approx. one kilometre. Continue straight ahead along Laupenstrasse. Turn right into Belpstrasse after about 400 metres. After approx. 200 metres, turn left into Effingerstrasse. After about 300 metres, you will find Hirschengraben on your left. Please note that that street is a pedestrian precinct and that accordingly, there are no parking spaces in front of the building.

How to find a parking place:

When you turn off Belpstrasse into Effingerstrasse, the City West carpark, building number 20, will be directly on your left. The ETH Board's premises are five to ten minutes' walk from this carpark. On leaving the carpark, follow Effingerstrasse on the left-hand side and turn left into Hirschengraben after about 250 metres. The premises of the ETH Board are on the right-hand side of Hirschengraben, in building number 3.
